This entitles the parent(s) / carer(s) / guardian (s) no additional privileges that would otherwise be gained by paying the appropriate adult membership fee(s). Any use of facilities (for example social / training / playing) may incur such charges as applicable to relevant adult membership.

Sports equity monitoring

It is not compulsory for this section to be completed but the following paragraph explains why it is important.

Sport can and does play a major role in promoting the inclusion of all groups in society. However, inequalities have traditionally existed within sport, particularly in relation to gender, race and disability. Sport England is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of young people in sports clubs, national governing bodies of sport and Sport England can identify any issues relating to under-representation of different groups and can together develop strategies to ensure that all young people have the opportunity in the future to develop and progress in sport.
