After the success of the Barbados Tour in 2010 it has been decided to go touring again in 2012. The country of choice this time is South Africa and Cape Town its capital will be our home for two weeks (13 nights in resort). Accommodation will be in a 4star hotel on a bed and breakfast basis. You are invited to join us. The tour will involve 3 or 4 games of cricket plus a trip to Stellenbosch, Cape town's famous wine region. We intend to travel late October early November 2012 to coincide with at least one week of half term. It is too early to give you an exact price but we are looking in the region of £1500.00 per person with discounts for children under 12 on the day of arrival back in the UK. If you are interested in receiving further details then if you went to Barbados just email me at the address above or complete this pro-forma and return it to me at the club.
